

Stangl Shorthorns Bull & Heifer Sale

Bidding Process

On-Line Portion of Sale

Will occur on AMS Online Sales - amsonlinesales.com

You Must be a Registered Bidder to place bids –

Please set up your account prior to auction start time

Read the Buyer FAQ section for details

Bidding opens Saturday March 9 @ 8:00 am CT and will continue thru Sunday, March 10 with auction beginning at 3:00 pm CT

Private Treaty Bid-Off Portion of Sale

All cattle are priced with an opening bid amount

The first bidder on a lot or group submits the opening bid as listed, other interested bidders need to raise the bid in set increments

You Must have placed a bid by 3 pm Sunday to be part of the bidding process

Bidding will start with the animals having the highest bid price as of 3 pm

You only need to place a bid on one lot to be part of the bidding process, if you get out bid on your first selection you can switch to another lot

Bids for Bulls will increase at \$ 250 increments

We reserve the right to ¼ in herd semen interest on all bulls.

Heifer groups will be bid as individual and choice per group – The winning bidder may take one or all in that group, if that bidder doesn't choose whole group, the process will start over at initial bid price until group is sold. Bids for heifers will increase at a minimum \$25 increments.

Don't hesitate to ask questions if you don't fully understand the bidding process

Bulls will be kept free of charge until May 15th

We ask that heifers be picked up or delivery arrangements made as soon as possible

Delivery of bulls will be free to South Dakota and bordering states

We will assist in delivery to other states up to \$250 per head

Canadian Customers: Buyer will pay all testing cost. Bulls will be delivered to nearest port of entry at no cost. We will assist delivery on heifers as loads are arranged at best cost.

All cattle become the responsibility of new owners after sale

We will care for cattle with the utmost care, but accidents happen, Insurance can be purchased for your protection.

Breeding Guarantee:

Bulls will be semen tested prior to delivery and guaranteed to remain sound and fertile thru first breeding season.

Heifers are guaranteed to breed within first breeding season

Contact us immediately with any issues regarding breeding

We will have replacement bulls on hand if needed or will give you credit on next years sale.

***We sincerely appreciate your interest in our program
and will be happy to assist you in selecting bulls and females to fit your needs.***
